CUPE 1091: Occupational Health & Safety Zoom Info Sessions

Have questions or concerns about Occupational Health and Safety at your Delta School District worksite?

CUPE OHS reps and all members are welcome to attend OCCUPATIONAL HEALTH & SAFETY Zoom Info Sessions.

The purpose of these info sessions will be to discuss OHS issues, share ideas, and support our CUPE 1091 OHS worksite reps within their role and keep members informed every step of the way.

The sessions are designed for open conversation, so come ready to ask questions, offer suggestions, or bring topic ideas for future meetings. Whether you're new to OHS or already involved, your voice matters in building safer, more informed worksites.

These Occupational Health & Safety Zoom info sesions will occur on the following dates below and will be hosted by Leigh Bartlett (CUPE 1091 OHS Officer)

Registration link will be emailed to all members at their personal emails from MASTER two weeks before each info session.
